

Count of Hobby by Hobby

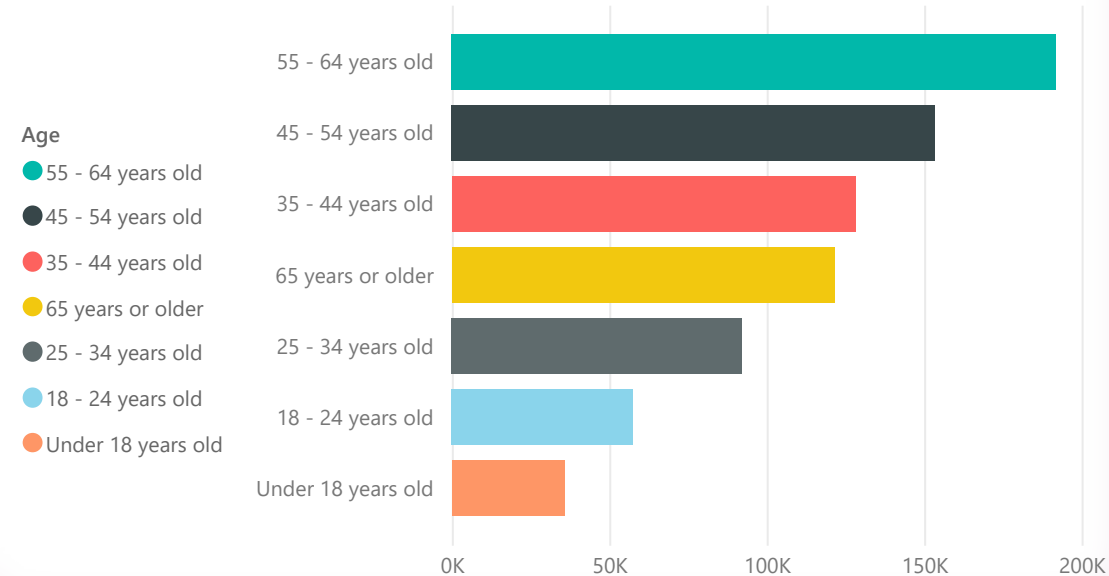

Count of Hobby by Hobby and Gender (groups)

Average of ConvertedSalary by Hobby

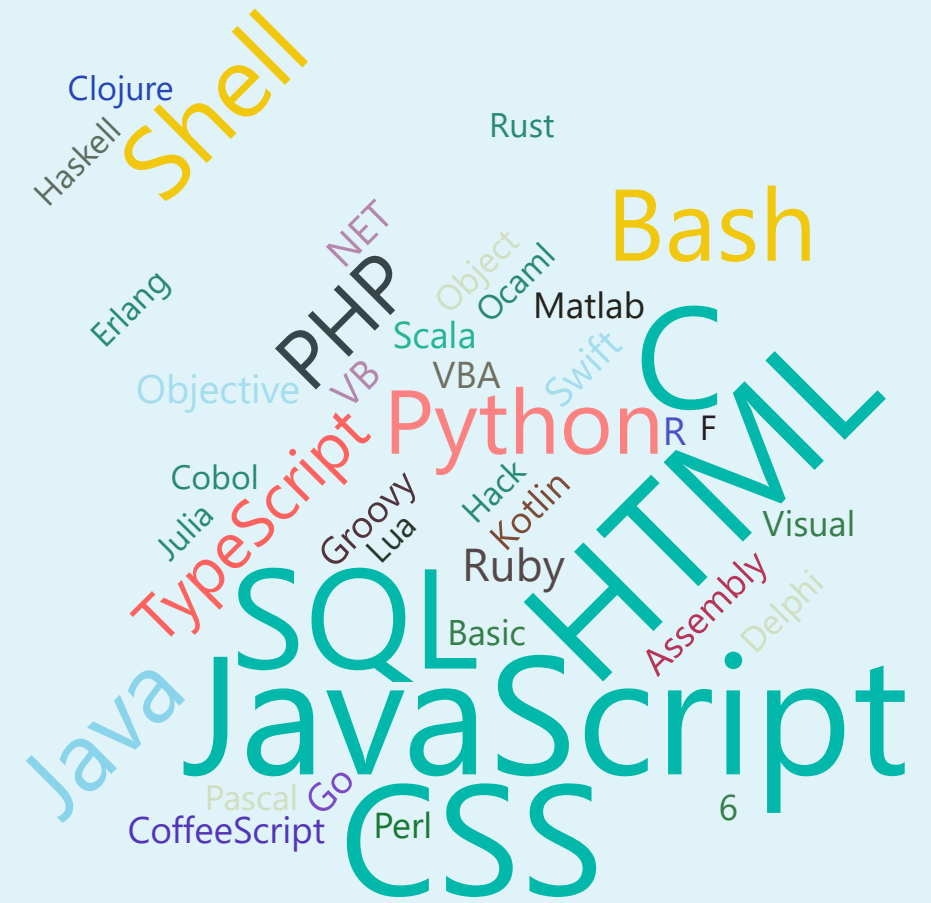

Average of ConvertedSalary by Age and Age

[illegible]

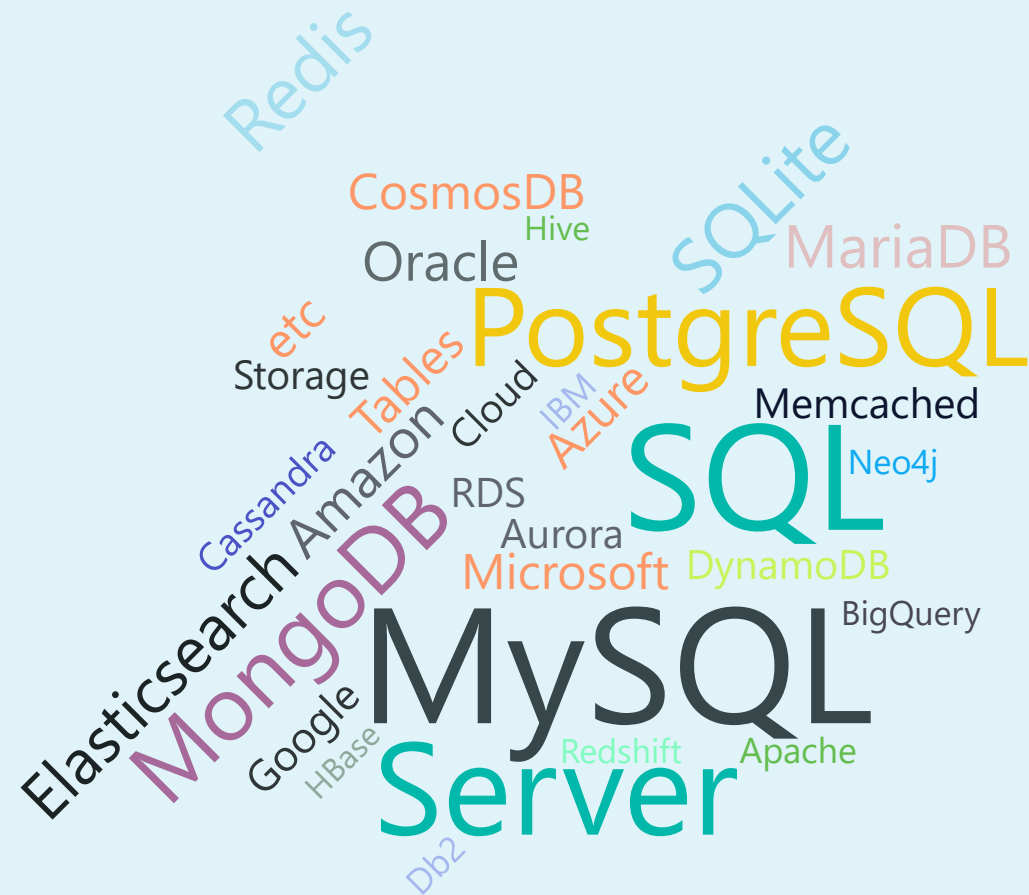

A word cloud titled "Count of LanguageWorkedWith by LanguageWorkedW..." on a light blue background. The words represent programming languages, with their size indicating their frequency. The most prominent languages are JavaScript, CSS, and HTML, all in large teal letters. Other significant languages include Python (red), Bash (yellow), Shell (yellow), and SQL (teal). Smaller languages like Java, PHP, Rust, and C are also visible. The words are arranged in a circular pattern, with some overlapping.
